Prior Learning

No prior learning is essential for children to take part in this day.

Example Outline of the Day

Approx 10 am Arrive / Introduction to Gatton Park / Safety talk

10.30 – 11.45 At the beginning of the activity, each child is given a 'Shipwrecked' booklet, and the teams decide on a name.

Together the teams follow a series of clues to find their way around the park and locate the challenges.

The challenges are:

- 'It's all ship-shaped' - Relay race to gather pieces of a ship's mast and correctly assemble it.
- 'Walk the plank' – work with team mates using 'planks of wood' to cross an imaginary sea.
- 'Water challenge' – transporting as much water from one container to another using flower pots (depending on time of year).
Or 'The Cup Challenge' – move cups to make a pyramid using only string and an elastic band (depending on time of year).

After successfully completing each challenge the children receive a 'flag sticker' (Years 3 & 4) or a piece of code (Years 5 & 6) to put into their booklet.

11.45 – 12.00 After receiving the last sticker or piece of code the children are given a 'code-breaker' and they have to solve the code to find the treasure.

12.00 – 12.30 Lunch

Assessment Opportunities

Gatton Education Staff will assess progress throughout the day by open ended questioning and a plenary session:

- Have the children successfully worked in a group to plan a solution to a problem?
- Were the children able to revise the plan if they encountered problems?

Information for the Group Leader
